

To Our Equine Friends,

Thank you for your interest in breeding to PurelySimply Dynamic. Black Creek Crossing is thrilled to have this opportunity to promote this exciting and talented son of our late beloved Pure Dynamic, sire of multiple World Champions, Superior, and All Around Champions.

PurelySimply Dynamic was born right here at Black Creek Crossing and was our very first Pure Dynamic foal, so having him here now is truly a "coming home" event. He was shown extensively as a yearling earning top 5's at every major show in the country from the Tom Powers Futurity, to the Southern Bell, the NSBA World, and the Reichert Celebration. He then moved to Arizona where he was used occasionally for a private breeding program.

One of his amazing foals has amassed an incredible show record

Just Good Dynamics (Stewie) owned by Heather Elmore

16 Amat. All Arounds

Superior Showmanship

Superior Open Halter

Superior Amat. Halter

AQHA Amat. Champion pts in 7 events

Multiple top 5 honors and almost 3K as a longe Liner.

He grew up in the Sonoran Desert of Scottsdale Arizona with his partner Annie Schneider. Standing at 15'3HH Jules seems to have the proclivity for siring huge and great legged offspring.

At Black Creek Crossing we will provide support mare owners that breed and raise PurelySimply Dynamic foals. Along with our great advertising program we love promoting them on all social media outlets. Enclosed please find our complete breeding packet as requested.

Once again we thank you for your interest and look forward to working with you in 2022.

- 1. The Mare Owner and Black Creek Crossing agrees to breed the above named Mare to PurelySimply Dynamic for the breeding fee of \$_____ during the 20_____ breeding season. A non-refundable booking deposit \$_____ is payable upon execution of this breeding contract. This fee is applied toward the breeding fee. The remainder of the breeding fee is payable within 30 days of insemination upon positive pregnancy check by licensed Veterinarian.
2. In addition, a Collection and Handling fee of \$_____ is charged for each semen shipment for the attending veterinarians' and our expenses for the timing arrangements, semen collection, evaluation, processing, packaging, handling and delivery of the semen to the express shipper.
3. The Shipping Cost for the semen must be paid by the Mare Owner. Depending on the Mare Owners shipping needs, the shipment will be shipped Fed Ex Overnight or UPS Overnight and will be charged to the Mare Owner. A Fee of \$150.00 will be charged per regular shipment. Counter To Counter Service will charged \$450.00 per shipment.
4. The Mare Owner shall contact Black Creek Crossing at least three (3) weeks before the approximate insemination time and notify Black Creek Crossing of the name, express mail address, and day/evening phone of the phone number of the Veterinarian, which the Mare Owner has selected as his/her agent to perform the insemination of the mare. The Mare Owner agrees that Black Creek Crossing will ship the collected semen to this licensed veterinarian. After receiving notification from the Mare Owner, Black Creek Crossing will research the final shipping details and prepare the pre-shipping bill. The remainder of the breeding fee, the collection and handling fee, the shipping cost are then billed and become due at 30 days post insemination.
5. The Mare Owner's veterinarian, acting as agent for the Mare Owner, shall order the cooled semen shipment as early as possible, but latest according to the Black Creek Crossing Horse semen ordering schedule. Semen collections and shipments are performed on Monday, Wednesday, Friday schedule. Depending on availability, each semen shipment will contain one or two doses for inseminations during the same heat cycle.
6. Should the mare not settle from the first shipment's inseminations, additional semen shipments will be provided by Black Creek Crossing. The Breeding fee will not become due again. However the Collection and Handling Fee and Shipping Cost will be charged for each shipment. If Mare does not settle within 3 shipments a different mare with the same registered owner may be substituted.
7. Should the mare not settle during the 20_____ breeding season, should the mare abort, or not have a live foal (standing or nursing), the Mare Owner will be entitled to one free re-breeding fee during the following year. Only the Breeding fee carries over, all other fees apply. The guarantee is completed with the mare being checked in foal after re-breeding. The following conditions apply for a re-breeding guarantee:
a) Black Creek Crossing must be notified of the aborting, or death of the foal within two (2) days by phone or within one (1) week by writing. This notice must
1. Be accompanied by a signed statement from a licensed veterinarian stating loss of pregnancy or death of the foal and that the foal did not stand and suck prior to death.

2. The mare must be re-checked in foal by a licensed veterinarian between 45 and 60 days after the last breeding date and Black Creek Crossing must be notified in writing of the mares pregnancy condition.
3. The mare must receive Rhino Vaccination at 5,7, and 9 months of pregnancy.

8. Black Creek Crossing is responsible for delivering semen to the Mare Owner's Veterinarian, that has been checked viable after being extended and before packaging. Black Creek Crossing is not responsible for the handling process after it leaves Black Creek Crossing. If for any reason an additional shipment is required, all normal fees will apply. The Mare Owner bears all risk of loss or damage to the mare whether death, disease, injury, infection or otherwise and by any cause whatsoever, including inappropriate, untimely or negligent inseminations or failure of insemination. The Mare Owner therefore releases, discharges, indemnifies, and holds Black Creek Crossing harmless from any liability for any and all damages associated therewith. The Mare Owner agrees to pay all expenses and attorney's fee incurred by Black Creek Crossing in defending any claims for which the Mare Owner have agreed to release, discharge, indemnify, and hold Black Creek Crossing harmless.
9. The Mare Owner agrees to have only the mare, which is named in this contract, inseminated with the shipped semen, covered by this contract. The mare owner agrees to have the mare pregnancy checked within 30 days and will notify Black Creek Crossing when the mare is checked safely in foal.
10. Should the above stallion die or become unfit for breeding, but the Mare Owner has paid an advance breeding fee, then the Mare Owner will receive a refund for the Breeding Fees paid or 2 breeding doses of frozen will be provided at no charge except shipping fees.
11. Death of Mare. If Mare dies or becomes unfit to breed prior to breeding, Mare Owner shall be required to breed a substitute Mare, owned by or leased to Mare Owner, to Stallion. In this event, a transfer of the breeding may be permitted with the written approval of Stallion Owner. No refunds shall be given.
12. This breeding season shall be from February 1st until June 15th.
13. This contract is governed by the laws of the state of Indiana.

14. Color Guarantee ("CG") If the Mare is fully registered with the APHA registry and is not also registered in AQHA and the resulting Live Foal is unable to be registered in the full APHA registry due to inability to meet color requirements, Mare Owner may breed to The Stallion in the following breeding season only for a rebreed fee of \$500.00. The shipping and collection fees for the first shipment will be included. CG is not offered on a LFG rebreed.
15. Multiple Foals. Should more than one embryo result from a breeding, Mare Owner must pay an additional Stallion Service fee for each additional embryo within ninety (90) days of the last breeding in order to receive a breeding certificate for additional foals.
16. Proper Parties. The signing below represent that they are fully authorized to execute this Agreement.
17. Mare owner must provide a Credit Card prior to shipment.
